

An illustration on a purple background showing a basketball player in a white jersey with 'WEMBANYAMA' on the front, jumping high to shoot a basketball. A defender in a black jersey is jumping to block the shot. In the top left corner, a basketball hoop and backboard are visible. The text 'Sometimes short doesn't cut it.' is in the top right, and 'Make your passwords even longer than Wembanyama's legs.' is on the left. At the bottom left is 'Keep your data safe. Global Cybersecurity.' and at the bottom right is a license notice.

**Sometimes
